The focus of the London Cobra Show's raffle is to raise money to assist in the development of medicines that allow children with Cystic Fibrosis to become much more active in their daily lives. Over the years, the London Cobra Show's Cobra raffle has resulted in \$1,333,000.00 being donated to CF and has financially assisted the foundation in developing the ORKAMB, KALYDECO & SYMDEKO Cystic Fibrosis medicines.

Purchase ticket by scanning QR code or purchase on the website below.

FC Formacars

The chassis is fabricated from A513 1010 and 1020 DOM (drawn over mandrel) carbon steel tubing and A36 carbon steel plate. The 4" round frame rails are fabricated from 0.120" wall DOM steel tubing for strength.

Fiberglass body is painted with a show quality two-stage Billet Silver Metallic primary color that features two Venom Black stripes separated by an Adrenaline Red center stripe base coat/clear coat finish. Custom billet fender badging.

Fully upholstered, thermal/sound insulated, carpeted with padded stepped dash, lockable glove box, padded center and rear console, upholstered door panels with billet door handles, adjustable and heated seats, 4-point seat belts, leather steering wheel, turn & high beam indicators, LED foot well lighting, windshield mounted center mirror, and cup holders.

The engine is a low mileage, Ford Mustang, 435 HP and 400 lb.-ft. of torque, 5.0 L, V8 Coyote engine with a ECUMaster custom tuned engine management system, Moroso oil pan & pickup, Energy urethane motor mounts, and custom painted engine cover to match body. Transmission is a Ford MT82 G2, 6 speed manual transmission having a direct action shifter and custom transmission mount. 2 year / 24,000 mile limited powertrain warranty against manufacturing defects provided by Formacars Limited, Columbus, OH. Warranty starts on the date winner takes possession.

The front suspension features independent tubular control arms, high end KONI mono-tube adjustable coil-over rod-end, ride height adjustable shocks, 17" diameter x 9" wide Halibrand style wheels and Nitto NT555 G2 245/45ZR17 ultra high performance summer tires. The rear is an independent suspension with upper and lower tubular control arms, panhard bar, high end KONI mono-tube adjustable coil-over rod-end, ride height adjustable shocks, 17" diameter x 10.5" wide Halibrand style wheels and Nitto NT555 G2 315/35ZR17 ultra high performance summer tires. The TORSSEN® limited-slip rear differential is equipped with a 3:55:1 ring and pinion gear ratio.
